Chief, Information and Management Support
Staff, OL

SUBJECT: OL "Yellow Pages"

1. Attached is a copy of the OL "Yellow Pages" for your use as a handy reference guide to the many services the Office of Logistics provides for the Agency. Additional information is given in the section entitled "Introduction." However, we wish to emphasize that the Logistics Officer in each component is always the focal point for all logistical matters.

2. Since this document is classified Secret, we have assigned a number to each copy and have logged it against the position title rather than the name of the incumbent to whom it was sent. Upon transfer to another assignment, please give your copy of the OL "Yellow Pages" to your successor.

3. Please advise OC/OL Information Services Center (ISC), extension [redacted] if your copy was incorrectly addressed or if you want additional copies. If you do not need your copy, please return it to OC/OL-ISC, [redacted] Building.
